

**Cut communication costs
and give to charity?**

Now you're talking.

SwainsPlc
Voice & Data Solutions

Connecting Business Everywhere

Swains Plc is one of the UK's premier communications providers. Based in East Anglia, we deliver tailored network connectivity and communications solutions to a wide range of SME, corporate and public sector organisations, both locally and nationwide.

More than a phone line, a helpline

Swains Plc has pledged to support local charity, **East Anglia's Children's Hospices (EACH)**, by offering your business the chance to save on its communication costs with our special EACH tariff. We can provide anything from line rental and reduced call rates to broadband and IP solutions – whatever your business requires, we're a one-stop shop for your fixed line and data needs.

Moreover, switching your communications to Swains Plc will enable us to donate essential funds to EACH, which will help to maintain this registered charity's vital work, while saving your business money in the process.

EACH supports families throughout their experience of caring for children with life-threatening conditions and complex healthcare needs, and they need your support to help run their crucial hospice services covering Cambridgeshire, Norfolk, Suffolk and North Essex.

www.each.org.uk

How it works

With our special EACH tariff, Swains Plc will:

- Provide you with a free communications audit to identify potential cost savings and efficiencies.
- Transfer your call, line and data services to a specially created EACH tariff (while remaining on BT networks to retain the highest quality).
- Donate 10% of the qualifying part of your invoice total to EACH every month, providing ongoing funding for the duration of your contract.

How it benefits your business

Your business will:

- Cut its monthly communications costs, saving an average of 40% when compared with BT Retail.
- Receive premium quality network services operated over the BT network.
- Gain access to a complete product portfolio of solutions, from traditional voice to next generation IP services.
- Get peace of mind with free call management and monitoring.
- Have direct contact with our local, friendly customer services, with 24/7 fault reporting for line and data queries.
- Receive clear monthly invoices, ebilling and free, user-friendly call analysis software.

That's service, security, choice and savings for your business, with a simple, hassle-free switch to Swains Plc.

How it benefits EACH

With 10% of the qualifying part of your monthly invoice total donated to EACH by Swains Plc, your support will allow this charity's work to continue in assisting local families and children in need of their help through short break care, play and music therapies, care at end of life and bereavement support.

This valuable contribution to a local charity could make a real difference; it's not just a one-off, but an ongoing commitment by Swains Plc.

How to sign up

If this sounds ideal for your business, just fax a copy of a recent invoice from your existing telecoms provider to 0844 257 2822, quoting 'EACH tariff', and we will analyse your current call, line and data charges and provide a cost-saving proposal to suit your business.

To contact Swains Plc about this EACH partnership, or for any queries about your communications needs:

T: 0844 257 2800 • F: 0844 257 2822

E: each@swainstel.co.uk • W: www.swainstel.co.uk
